

STILL WAITING FOR FOREVER HOMES. . .

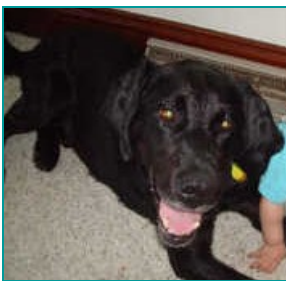

dp-1011

EDWARD is about 4 years old and weighs 50 lbs. He's a very friendly boy who enjoys the company of kids. Edward is currently being trained by professional trainers, and they think he is wonderful guy! Edward will make an amazing companion for a very lucky family, and will bring them years of joy with his goofy, but fun, personality.

ROSSI is about 3 years old and weighs 76 lbs. This boy is one of the most amazing dogs and is the best companion someone could hope for. Rossi is extremely friendly, loves other dogs and worships his foster mom (he is her constant shadow). Rossi would like a family that will take him swimming, walking/running/hiking and they must love to throw tennis balls for him!

THEO, around 4 years old, weighs 60 lbs. One of the sweetest dogs you will ever meet, Theo loves women (he also worships his foster mom), and would love a home that has someone home more often than away. Low key, and more on the mellow side, Theo gets most excited when his foster mom comes home. Imagine seeing the look of love in those soulful eyes each time you come home!

ENZO, a big, goofy, happy and friendly boy, is around 3 years old and weighs 70 lbs. He absolutely adores children! Enzo is very well-behaved, and one of his favorite things to do is chase tennis balls. Enzo is hoping to have a fenced-in yard, and if it's a privacy fence, that would be perfect. Enzo can't wait to find his new family and begin to build a forever life with them.
