

# WE NEED FOREVER HOMES!

**BOSTON**

**TIGER**

**XANDER**

**LUCY**

**JENNY**

**BILLY**

**SCOTTY**

**SINJIN**

Boston, Tiger, Xander, Lucy, and Lynx are all bottle fed babies and thus are extremely friendly.

Billy is an adorable, long-haired boy. He is a very nervous boy and we are working very hard to get him more adjusted to people.

Jenny and Scotty are siblings to Billy and are adjusting well to their foster home and foster parents.

Sinjin is a very loving boy that has a very loud purr. He loves attention and lots of cuddle time. He came to us in horrible condition with an abscess, eye infection and URI, but these are all healing nicely and he will soon be available for adoption.

**LYNX**
